APPROVAL OF STATE ENGINEER

The number of this permit is 104.

Date of receipt of first application May 26, 1906.

Returned to applicant for correction \_\_\_\_\_, 190   .

Recorded in book A, page 104.

✓ Approved Aug 22, 1906.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than five cubic feet per second.

The construction of the within described works to be commenced not later than Nov. 1. 1906

One-fifth of the work above specified to be completed on or before June 1. 1907

The whole of said work to be completed on or before Nov. 1. 1907

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to Nov. 1. 1908

Witness my hand this twenty second day of August, 1906.

Henry Trustell

State Engineer.

REMARKS

Cancelled SEP 19 1910 for failure to file proof of beneficial use.
