to town of Manhattan, Nye Co, Nevada on unsurveyed land *which is the point of intended use.*

APPROVAL OF STATE ENGINEER

The number of this permit is 64.

Date of receipt of first application Apr. 2, 1906.

Returned to applicant for correction _____, 190__.

Recorded in book A, *page* 64.

Approved Sept. 11, 1906.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than (1½) *cubic feet per second.*

The construction of the within described works to be commenced not later than Jan 1. 1907

One-fifth of the work above specified to be completed on or before July 1. 1907

The whole of said work to be completed on or before Jan 1. 1908

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to Jan 1. 1909

Witness my hand this eleventh *day of* September, 1906.

Henry Thurtell
State Engineer.

Cancelled SEP 17 1910 **for failure to file proof of beneficial use.**

Emmet D Boyle
State Engineer.

REMARKS

It is hereby stipulated that the applicant for this permit shall not divert more than one sec.ft. from the above named stream, except at such times and under such conditions of stream flow as to produce no injury to growing crops and irrigated agricultural lands now watered by the stream.

Henry Thurtell.
