APPROVAL OF STATE ENGINEER

The number of this permit is 129.

Date of receipt of first application June 21, 1906.

Returned to applicant for correction _____, 190__.

Recorded in book A, page 129.

Approved Sept. 11, 1906.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than 400 cubic feet per second.

The construction of the within described works to be commenced not later than Apr 1. 1907

One-fifth of the work above specified to be completed on or before Apr 1. 1908

The whole of said work to be completed on or before Apr 1. 1909

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to Apr. 1. 1910

Witness my hand this eleventh day of September, 1906.

Henry Thrutell
State Engineer.
