APPROVAL OF STATE ENGINEER

The number of this permit is 160.

Date of receipt of first application July 16, 1904.

Returned to applicant for correction _____, 1904.

Recorded in book A, page 160.

✓ Approved Oct. 12, 1904.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than Δ all the flow of springs cubic feet per second.

The construction of the within described works to be commenced not later than

Apr. 1. 1907

One-fifth of the work above specified to be completed on or before Sept. 1. 1907

The whole of said work to be completed on or before Apr. 1. 1908

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to Apr. 1. 1909

Witness my hand this twelfth day of October, 1904.

Henry Thurlwell

State Engineer.
