✓ Approved Dec. 29, 1906.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than twenty cubic feet per second.

The construction of the within described works to be commenced not later than May 1, 1907

One-fifth of the work above specified to be completed on or before Oct. 1, 1907

The whole of said work to be completed on or before May 1, 1908.

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to May 1, 1909

Witness my hand this twenty ninth day of December, 1906.

Henry Thurstell.  
State Engineer.

Withdrawn by applicant Aug 1-1911 REMARKS

W. M. KEARNEY  
State Engineer.
