to _____ which is the point of intended use.

APPROVAL OF STATE ENGINEER

The number of this permit is 189.

Date of receipt of first application Aug. 25, 1906.

Returned to applicant for correction _____, 1906.

Recorded in book A, page 189.

Approved Dec. 8, 1906.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than (2) cubic feet per second.

The construction of the within described works to be commenced not later than

May 1, 1907

One-fifth of the work above specified to be completed on or before Nov. 1, 1907

The whole of said work to be completed on or before Nov. 1, 1908

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to Nov. 1, 1909

Witness my hand this eighth day of December, 1906.

Henry Thunstall

State Engineer.

REMARKS

The water diverted under this permit must be returned to the natural channel of the stream above all irrigation ditches and the uses made of this water under this permit must be such that its value for the purposes for which it is now used will not be impaired.

Cancelled
MAY -7 1910

H. P. B.

Henry Thunstall
