to \_\_\_\_\_ which is the point of intended use.

APPROVAL OF STATE ENGINEER

The number of this permit is 26.

Date of receipt of first application Nov 28, 1905.

Returned to applicant for correction Nov 29, 1905.

Recorded in book "A", page 26.

Approved June 6, 1906.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than 1/2 cubic feet per second.

The construction of the within described works to be commenced not later than

Sept 1, 1906

One-fifth of the work above specified to be completed on or before June 1, 1907

The whole of said work to be completed on or before Sept 1, 1907

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to Sept 1, 1908

Witness my hand this sixth day of June, 1906.

Henry Thurtell

State Engineer.

REMARKS

This appropriation was not perfected.
