### APPROVAL OF STATE ENGINEER

The number of this permit is 28.

Date of receipt of first application December 23, 1905.

Returned to applicant for correction \_\_\_\_\_, 190   .

Recorded in book "A", page 28.

Approved April 13, 1906.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than  $\frac{604}{100}$  cubic feet per second.

The construction of the within described works to be commenced not later than

May 1, 1906

One-fifth of the work above specified to be completed on or before Sept. 1, 1906

The whole of said work to be completed on or before May 1, 1907

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to May 1, 1908

Witness my hand this thirteenth day of April, 1906.

Henry Threlkell

State Engineer.

#### REMARKS

Cancelled SEP 14 1911 for failure to  
file proof of beneficial use.
