APPROVAL OF STATE ENGINEER

The number of this permit is 322  
 Date of receipt of first application Dec. 26, 1906.  
 Return to applicant for correction \_\_\_\_\_ 190\_\_\_\_.  
 Corrected application received \_\_\_\_\_ 190\_\_\_\_.  
 Last notice published Jan. 25 1907.  
 Recorded in Book B., page 322.  
 ✓ Approved May. 2, 1907.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than 10 cubic feet per second.

The construction of the within described works to be commenced not later than July 1-1907

One-fifth of the work above specified to be completed on or before Jan. 1-1908

The whole of said work to be completed on or before Aug. 1-1908

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to Sept 1-1908

Witness my hand this Second day of May, 1907.

Henry Thattner  
 State Engineer.

Map filed April 9-08.

REMARKS P.B.U. filed Oct. 13-1910.

(This space not to be written in by applicants.)

Nothing in the approval of this application is a warrant to allow the applicant in any way to interfere with John G. Taylor or his assigns from watering his stock at any of the troughs placed by him in Lower Troughs Canon at any time it suits his convenience so to do.

Certificate issued August 30th 1911. No 602. Page 298
