## APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the stream system of which this source is a tributary. A standard headgate and weir must be installed at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed Three & 2/10 cubic feet per second. (3.2)

Actual construction work shall begin on or before May 15, 1917.

Proof of commencement of work shall be filed before June 15, 1917

Work must be prosecuted with reasonable diligence and be compl on or before May 15, 1918.

Application of water to beneficial use shall be made on or be November 15, 1922. Proof of the application of water to benefic use must be filed with State Engineer on or before December 15,

WITNESS MY HAND AND SEAL this 15th, of September, 1916.

W. M. Kearney

State Engineer.

Map filed JUN 14 1917

Proof of labor filed JUN 12 1917

Proof of completion of work filed JUN 24 1918

Cancelled FEB 2 1954 because of failure of applicant to comply with the provisions of permit

Edmund Mills Asst. State Engineer
