✓ Approved May 1 \_\_\_\_\_, 1907.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than 1/2 cubic feet per second.

The construction of the within described works to be commenced not later than

Aug 1 - 1907

One-fifth of the work above specified to be completed on or before Aug 1 - 1908

The whole of said work to be completed on or before Jan 1 - 1909

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to Feb. 1 - 1909

Witness my hand this First day of May, 1907.

Henry Shattuck  
State Engineer.

### REMARKS

(This space not to be written in by applicants.)

Nothing in this application shall permit the applicant to interfere in any way to prevent the persons who diverted this stream into troughs from watering their stock, at any time they find it convenient to do.
