Approved May 3, 1907.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than 25 cubic feet per second.

The construction of the within described works to be commenced not later than

July 1 - 1907

One-fifth of the work above specified to be completed on or before April 1 - 1908

The whole of said work to be completed on or before Jan 1 - 1910

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to Feb. 1 - 1911

Witness my hand this Second day of May, 1907.

James Thurteel State Engineer.

REMARKS

(This space not to be written in by applicants.)

The approval of this application is contingent upon the satisfactory completion of a certain litigation now on file with the State Engineer between J. W. Wenzel N. C. Fredrickson, party of the first part, and J. W. Wenzel party of the second part.

Abandoned June - 29 - 07.
