APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights. It is understood that the one cubic foot of water per second herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. Accurate measurements of water placed to a beneficial use must be included in the proof of such use when filed. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed one cubic feet per second.

Actual construction work shall begin on or before November 1, 1935

Proof of commencement of work shall be filed before December 1, 1935

Work must be prosecuted with reasonable diligence and be completed on or before November 1, 1937

Proof of completion of work shall be filed before December 1, 1937

Application of water to beneficial use shall be made on or before November 1, 1938. Proof of the application of water to beneficial use must be filed with State Engineer on or before December 1, 1938

Proof of labor filed MAR 17 1936

Map Filed June 19, 1934

WITNESS MY HAND AND SEAL this 13th day of May, 1935.

Cancelled NOV 25 1941 because of failure of applicant to comply with the provisions of permit.
