DESCRIPTION OF PROPOSED WORKS

Water is to be diverted in a ditch which was made by applicant some years ago and which has been used by applicant ever since the construction of same.

State manner in which water is to be diverted, whether by dam or other works, whether through pipes, ditches, flumes, or other conduits. If water is to be stored in reservoirs it should be so stated and the location of the reservoir should be given with reference to the legal subdivisions.

5. Estimated cost of works Seventy-five Dolls.

6. Estimated time required to construct works Ten days.

7. Remarks The reason I did not apply for more water in first application is that 3/4 of 1 second foot is all that is available.

For use of applicant.
