APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. A standard headgate and weir must be installed at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed One tenth cubic feet per second. (0.1)

Actual construction work shall begin on or before May 4, 1917.

Proof of commencement of work shall be filed before June 4, 1917.

Work must be prosecuted with reasonable diligence and be completed on or before August 4, 1917.

Application of water to beneficial use shall be made on or before November 4, 1919. Proof of the application of water to beneficial use must be filed with State Engineer on or before December 4, 1919.

Map filed JUN - 3 1916

Proof of labor filed JUN - 4 1917

Proof of completion of work filed AUG 17 1917

Proof of beneficial use filed NOV 10 1919

Certificate No. 469-Book 3. Issued DEC - 2 1919

WITNESS MY HAND AND SEAL this 4th, day of October, 1916.

W M Kearney

State Engineer.
