to _____ *which is the point of intended use.*

APPROVAL OF STATE ENGINEER

The number of this permit is 57.

Date of receipt of first application March 24, 1906.

Returned to applicant for correction March 24, 1906.

Amended application received Apr. 5

Recorded in book A, *page* 57.

Approved Aug. 7, 1906.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than all the flow of spring *cubic feet per second.*

The construction of the within described works to be commenced not later than Oct. 1. 1906

One-fifth of the work above specified to be completed on or before Feb. 1. 1907

The whole of said work to be completed on or before Oct. 1. 1907

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to Oct. 1. 1908

Witness my hand this seventh *day of* August, 1906.

Henry Thurtell

State Engineer.

REMARKS

This permit is given subject to the right of the owners of the legal subdivision on which this spring is situated. Nothing in this permit must be so construed as to warrant its holder in interfering with the right heretofore enjoyed by the owners of this land to make stock from the water of this spring when necessary and convenient so to do.

Henry Thurtell

Withdrawn. Feb - 10 - 08. See letter C. S. Cuff. Feb. 7-08.
