APPROVAL OF STATE ENGINEER

The number of this permit is 63.

Date of receipt of first application Apr 2, 1906.

Returned to applicant for correction Apr 3, 1906.

Amended application received Apr. 29. 1906
Recorded in book A, page 63.

Approved Aug. 22, 1906.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than 2 1/2 cubic feet per second.

The construction of the within described works to be commenced not later than Oct. 1. 1906

One-fifth of the work above specified to be completed on or before Jan. 1. 1907

The whole of said work to be completed on or before Oct. 1. 1907

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to Oct. 1. 1908

Witness my hand this twenty second day of August, 1906.

Henry Thurbill

State Engineer.

REMARKS

All water diverted under this permit must be returned to the natural channel of the stream immediately below the townsite of Shoshone and the uses to which the water shall be put shall be such that its value for the purposes for which it is now used shall not be impaired.

Henry Thurbill

✓ Cancelled on account of failure to comply with conditions concerning completion of work.
