APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. A standard headgate and weir must be installed at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that the applicant agrees to the terms herein contained. For further conditions see permit No. 4893 to change point of diversion as stated herein, and under this later filing the right will be perfected.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 1 (One) cubic foot per second.

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or before

Application of water to beneficial use shall be made on or before Proof of the application of water to beneficial use must be filed with State Engineer on or before

WITNESS MY HAND AND SEAL this 23rd day of November, 1918.

Proof of labor filed MAR 10 1919

Proof of completion of work filed MAR 10 1919

See No 4893, Appl To chg.
