Dear Sir:-

With reference to your inquiry regarding Nevada water rights in which Mr. Tom Larson has an interest, would say that we received the following telegram, dated at Valdez, November 5th, and signed by T. Larson, and addressed to us:

"I do not want water rights in Nevada, E. W. Johnson will call."

From this I interpret Mr. Larson's disposition to be that he is simply throwing up his hands on any claim that he has there, and expressing a willingness to have Mr. Johnson take his interests, if Johnson so desires.

Yours truly,

Shank & Smith
