APPROVAL OF STATE ENGINEER

The number of this permit is 80.

Date of receipt of first application Apr. 11, 1906.

Returned to applicant for correction _____, 190 .

Recorded in book A, page 80.

Approved Aug. 22, 1906.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than ten cubic feet per second.

The construction of the within described works to be commenced not later than

Jan. 1, 1907

One-fifth of the work above specified to be completed on or before July 1, 1907

The whole of said work to be completed on or before Jan. 1, 1908

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to Jan. 1, 1909

Witness my hand this twenty second day of August, 1906.

Henry Thurtell

State Engineer.

REMARKS
This permit is written subject to the permit No. 44, approved June 26, 1906, subject also to the decree filed May 1, 1900 in the Fourth Judicial District Court of the State of Nevada, governing the distribution and division of the water of Steptoe Creek among the users of the waters of said creek and their successors in interest. This permit is also conditional upon the fulfillment of certain agreements now filed in the State Engineer's office, touching the purchase of the ranches and water rights in Steptoe Creek of H.A. Comins and Jacob Schallenberger.

Henry Thurtell.
