to point of return which is the point of intended use.

APPROVAL OF STATE ENGINEER

The number of this permit is 867.

Date of receipt of first application March 25th 1908 ~~190~~

Return to applicant for correction - - - - - ~~190~~ -

Corrected application received - - - - - ~~190~~ -

Last notice published June 6th 1908

Recorded in Book "E", page 867.

Approved, October 3rd 1912 ~~190~~.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than 50 cubic feet per second.

The construction of the within described works to be commenced not later than

November 3rd 1912

One-fifth of the work above specified to be completed on or before September 3rd 1913

The whole of said work to be completed on or before May 3rd 1914.

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to July 3rd 1914

Witness my hand this third day of October 1912, 1908  
W. M. Kearney  
State Engineer.

REMARKS

This space not to be written in by applicant.

This permit is granted with the express provision that work must be prosecuted with reasonable diligence and with the intent to complete the plant as rapidly as possible. The State Engineer reserves the right to cancel this permit when, in his judgement, reasonable diligence is not used in the prosecution of the work.

W. M. Kearney  
State Engineer

Cancelled because of failure to file proof of commencement of work DEC - 4 1912

W. M. KEARNEY  
State Engineer.
