APPROVAL OF STATE ENGINEER

The number of this permit is 92.

Date of receipt of first application May 7, 1906.

Returned to applicant for correction _____, 190 .

Recorded in book A, page 92.

✓ Approved Dec. 29, 1906.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than one cubic feet per second.

The construction of the within described works to be commenced not later than

April 1, 1907

One-fifth of the work above specified to be completed on or before Oct. 1, 1907

The whole of said work to be completed on or before April 1, 1908

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to April 1, 1909

Witness my hand this twenty ninth day of December, 1906.

Henry Phuntell

State Engineer.

REMARKS

This permit is given subject to the condition that nothing in its provisions should be so construed as to entitle its holder to divert this water at such seasons and in such quantities as to produce material injury to the growing crops upon any agricultural land now watered by this stream.

Henry Phuntell

State Engineer.

Cancelled SEP 19 1910 for failure to file proof of beneficial use.

E. B. [Signature]

State Engineer.
