## APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.8 cubic feet per second. ( Eight Tenths )

Actual construction work shall begin on or before April 30, 1919.

Proof of commencement of work shall be filed before May 30, 1919.

Work must be prosecuted with reasonable diligence and be completed on or before April 30, 1920.

Proof of completion of work shall be filed before May 30, 1920.

Application of water to beneficial use shall be made on or before April 30, 1922. Proof of the application of water to beneficial use must be filed with State Engineer on or before May 30, 1922.

WITNESS MY HAND AND SEAL this 30th day of December, 1918.

Aug 25, 1919 because of failure of claimant to comply with provisions of permit.

State Engineer.
