PROTESTED by A.P.Johnson, May 24th,1918.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is granted subject to all prior rights on the source. No attempt is intended herein to grant the use of any existing pipe line, ditches or works of diversion, or any rights of way to reach the water applied for. Such privileges, if necessary to apply the water to beneficial use, must be acquired independently of this office. The State reserves the right to regulate the diversion of water herein granted at all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed One (1) cubic foot per second.

Actual construction work shall begin on or before May 20, 1919.

Proof of commencement of work shall be filed before June 20, 1919.

Work must be prosecuted with reasonable diligence and be completed on or before May 20, 1921.

Proof of completion of work shall be filed before June 20, 1921.

Application of water to beneficial use shall be made on or before August 20, 1922. Proof of the application of water to beneficial use must be filed with State Engineer on or before September 20, 1922.

WITNESS MY HAND AND SEAL this 20th day of December, 1918.

Seymour Case,
State Engineer.
