APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights on the source. No right is given under this permit to maintain the water level in permittees well at any level higher than that necessary for a reasonable pumping lift. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.01 cubic foot per second., or sufficient to water 300 cattle and 30 sheep.

Actual construction work shall begin on or before March 15, 1949

Proof of commencement of work shall be filed before April 15, 1949

Work must be prosecuted with reasonable diligence and be completed on or before March 15, 1950

Proof of completion of work shall be filed before April 15, 1950

Application of water to beneficial use shall be made on or before March 15, 1951. Proof of the application of water to beneficial use must be filed with State Engineer on or before April 15, 1951

WITNESS MY HAND AND SEAL this 30th day of November, 1948.

Alfred Merrill Smith

State Engineer.
