APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. A standard headgate and weir must be installed at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.8 cubic feet per second. (Eight tenths)

Actual construction work shall begin on or before May 19, 1920.

Proof of commencement of work shall be filed before June 19, 1920.

Work must be prosecuted with reasonable diligence and be completed on or before May 19, 1921.

Proof of completion of work shall be filed before June 19, 1921.

Application of water to beneficial use shall be made on or before October 19, 1923. Proof of the application of water to beneficial use must be filed with State Engineer on or before November 19, 1923.

Proof of Work filed AUG -7 1920

Map filed AUG 31 1920

Proof of completion of work filed AUG 14 1922

Cancelled OCT 6 1936 because of failure to refile corrected application within statutory time.

State Engineer

WITNESS MY HAND AND SEAL this 19th day of November, 1919.

State Engineer.
