APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.025 cubic feet per second. (One fortieth)

Actual construction work shall begin on or before May 14, 1919.

Proof of commencement of work shall be filed before June 14, 1919.

Work must be prosecuted with reasonable diligence and be completed on or before July 14, 1919.

Proof of completion of work shall be filed before August 14, 1919.

Application of water to beneficial use shall be made on or before November 14, 1919. Proof of the application of water to beneficial use must be filed with State Engineer on or before December 14, 1919.

Proof of labor filed MAY 15 1919 WITNESS MY HAND AND SEAL this 14th day
Map filed JUN 2 1919 of December, 1918.

Proof of completion of work filed JUL - 1 1919

Proof of beneficial use filed AUG 24 1919
