U

M.O. # 59032 from Ely \$ 25.00
Application to Ely, Apr.

1375

No. 1375

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

That the above is approved with the expressed provision, that it shall not interfere with vested rights on said creek or water source, and should it be found, at any time, to so interfere, it shall be subject to cancellation by the State Engineer.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 2.28 cubic feet per second.

Actual construction work shall begin on or before June 1st, 1911.

Proof of commencement of work shall be filed before July 1st, 1911.

Work must be prosecuted with reasonable diligence and be completed on or before January 1st, 1912.

Application of water to beneficial use must be filed with the State Engineer on or before September 1st, 1914.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before October 1st, 1914.

WITNESS MY HAND AND SEAL, this 21st day of April, A.D. 1911.

W. M. Kearney
State Engineer

This is to certify that I have examined the within application to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than _____ cubic feet per second.

The construction of the within described works to be commenced not later than _____

One-fifth of the work above specified to be completed on or before _____

The whole of said work to be completed on or before _____

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to _____

Witness my hand this _____ day of _____, 190_____

State Engineer.
