APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all prior rights on the source and with the understanding that the proof of beneficial use when filed, will show the power generated and the amount of water required and used therefore and in addition the amount of water placed to a beneficial use for domestic purposes. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 1 cubic feet per second.

Actual construction work shall begin on or before April 10, 1930

Proof of commencement of work shall be filed before May 10, 1930

Work must be prosecuted with reasonable diligence and be completed on or before April 10, 1932

Proof of completion of work shall be filed before May 10, 1932

Application of water to beneficial use shall be made on or before April 10, 1934. Proof of the application of water to beneficial use must be filed with State Engineer on or before May 10, 1934

Proof of labor filed May 10 - 1930.

WITNESS MY HAND AND SEAL this 14 day of October 1929

Cancelled FEB 28 1941 because of failure of applicant to comply with the provisions of permit
