APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all prior rights on the source. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0024 cubic feet per second.

Actual construction work shall begin on or before August 10, 1924.

Proof of commencement of work shall be filed before September 10, 1924.

Work must be prosecuted with reasonable diligence and be completed on or before November 10, 1924.

Proof of completion of work shall be filed before December 10, 1924.

Application of water to beneficial use shall be made on or before May 10, 1926. Proof of the application of water to beneficial use must be filed with State Engineer on or before June 10, 1926.

WITNESS MY HAND AND SEAL this 10th day of July, 1924.

Robert Allen
State Engineer.
