Spring is tapped by pipes underground- No dams required

## APPROVAL OF STATE ENGINEER.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions:

This permit, to change the point of diversion of water heretofore appropriated under No. 5967, is issued with the understanding that no valid rights will be affected by the proposed change. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.01 cubic foot per second.

Actual construction work shall begin on or before August 18, 1926

Proof of commencement of work shall be filed before September 18, 1926.

Work must be prosecuted with reasonable diligence and be completed on or before August 18, 1926.

Proof of completion of work shall be filed before September 18, 1926.

Application of water to beneficial use shall be made on or before August 18, 1926. Proof of the application of water to beneficial use must be filed with State Engineer on or before September 18, 1926.

WITNESS MY HAND AND SEAL this 18th day of June, 1926.
