 Approved, August - 23rd 1911 190

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than 3150 ^{acre} ~~cubic~~ feet per ^{year} ~~second~~
 The construction of the within described works to be commenced not later than October - 1st 1911

One-fifth of the work above specified to be completed on or before October 1st 1912
 The whole of said work to be completed on or before October 1st 1913

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to September 1st 1915

Witness my hand this 23rd day of August 1911, 190
W. H. Kearney
 State Engineer.

Proof of labor filed Oct 26 1911
 Map filed FEB. 21 1912

REMARKS

This space not to be written in by applicant.

This permit is issued for flood water only and is issued conditionally that no water be diverted when the present rights need water. The permit is issued for Irrigation purposes only.

Cancelled MAR 30 1918 because of failure of applicant to comply with provisions of permit.
W. H. Kearney
 State Engineer.
