APPROVAL OF STATE ENGINEER

The number of this permit is 1568.

Date of receipt of first application December 29th 1909.

Return to applicant for correction _____ 190 .

Corrected application received _____ 190 .

Last notice published Jan - 22 1900 FILED FEB 1 1910

Recorded in Book H, page 1568.

Approved, July 19th 1901.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than 1/40th cubic feet per second.

The construction of the within described works to be commenced not later than

September 1st 1911

One-fifth of the work above specified to be completed on or before January 1st 1912.

The whole of said work to be completed on or before July 5th 1912

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to October 5th 1912

Witness my hand this 19th day of July, 1901

Cancelled because of failure to file

proof of completion of work Oct. 1-1911

W. M. Kearney
State Engineer.

REMARKS

State Engineer, not to be written in by applicant.

This permit does not give the applicant exclusive right to fence the spring and keep others from watering stock at the spring. The works must be so constructed that any stock can be watered here after the applicants stock have been watered.

W. M. KEARNEY
STATE ENGINEER
