Approved, FEB 10 1911 190.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than -.05 cubic feet per second.

The construction of the within described works to be commenced not later than May 1st 1911

One-fifth of the work above specified to be completed on or before January 1st 1912

The whole of said work to be completed on or before January 1st 1913

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to February 15th 1913

Witness my hand this Twelfth day of February, 1901

Cancelled AUG 14 1915 because of failure of applicant to comply with provisions of permit.

Emmett D. Bayle

State Engineer.

REMARKS

W. M. Kearney
State Engineer.

This space not to be written in by applicant.

This permit is issued with the provision that the applicant shall install and maintain a valve at the watering trough of Thos Pepper to permit said trough to remain full of water ^{for stock watering purposes at said trough} whenever the flow of said springs is sufficient.

Emmett D. Bayle

Reinstated upon applicant filing proofs JUN 19 1911

Cancelled because of failure to file proof of commencement of work

W. M. Kearney
For. Secy. State Engineer.
