AMENDED

APPLICATION FOR PERMIT TO CHANGE THE POINT OF DIVERSION OF THE PUBLIC WATERS OF THE STATE OF NEVADA.

Serial No. 7041

Date of first receipt and filing in State Engineer's office JAN 28 1924
Returned to applicant for correction FEB 15 1924 MAR 20 1924
Corrected application filed MAR 28 1924

The undersigned G. Gallio of Imlay, County of Pershing, State of Nevada, hereby makes application for permission to change the place of diversion of the waters of Star Canyon Creek, also known as Star Creek, awarded him by certificate No. 575, under permit No. 2925, and respectfully represents:

1. That the present point or place of diversion is in the SE¼ of the SW¼ of Section 27, T. 31 N., R. 35 E., M. D. B. & M.

2. That he desires to divert the water awarded him by said certificate at a point on Star Creek which is N.66° 30' W. 13,880 ft. from the Northwest corner of the SE¼ of SW¼ of Sec.28, Tp.31 N of R 35 East

3. That he desires to divert the amount of water allowed under certificate No. 575, namely 0.4905 second feet at said point by means of a dam and ditch and to thence conduct the waters thus diverted onto the 49.05 acres of land for which a water right has been granted in said certificate and use same for irrigation and domestic purposes from April 1st to August 1st of each year.

4. That the reason for the desired change is that the waters of Star Creek can be conserved by diverting the same at the last mentioned point and such new place of diversion will save great amounts of water now wasted.

5. That affiant believes and upon information and belief alleges that the cost of the dams and ditches to divert water at the new place of diversion will be approximately $1000.00.

6. Estimated time required to construct works is (1 year) One ~~Thousand Dollars.~~ Year.

Remarks: Withdrawn by applicant Nov. 9. 1928
