PROTESTED JUNE 12, 1924, BY THE ADAMS-MCGILL CO.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights and is for such water as may be developed at the point of diversion named in the application and not elsewhere. No trespassing on the waters of springs in the immediate vicinity held by other parties will be permitted and any such trespassing will constitute a forfeiture of this permit. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.022 cubic feet per second.

Actual construction work shall begin on or before January 7, 1927

Proof of commencement of work shall be filed before February 7, 1927

Work must be prosecuted with reasonable diligence and be completed on or before July 7, 1927

Proof of completion of work shall be filed before August 7, 1927

Application of water to beneficial use shall be made on or before July 7, 1928. Proof of the application of water to beneficial use must be filed with State Engineer on or before August 7, 1928

WITNESS MY HAND AND SEAL this 7th day of April, 1926.

Cancelled Apr. 17, 1929 because of failure of applicant to comply with provisions of permit.

Geo. W. Malone State Engineer.

Robert Adler
State Engineer.
