APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.006 cubic foot per second.

Actual construction work shall begin on or before April 28, 1926

Proof of commencement of work shall be filed before May 28, 1926

Work must be prosecuted with reasonable diligence and be completed on or before October 28, 1926

Proof of completion of work shall be filed before November 28, 1926

Application of water to beneficial use shall be made on or before October 28, 1927. Proof of the application of water to beneficial use must be filed with State Engineer on or before November 28, 1927

WITNESS MY HAND AND SEAL this 28th day of August, 1925.

Cancelled Mar 21, 1928 because of failure of applicant to comply with provisions of permit
