APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all prior rights on the source. The State reserves the right to regulate the use of water herein granted at any and all times. It is distinctly understood that the applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.05 cubic feet per second.

Actual construction work shall begin on or before August 4, 1922.

Proof of commencement of work shall be filed before September 4, 1922.

Work must be prosecuted with reasonable diligence and be completed on or before September 4, 1922.

Proof of completion of work shall be filed before October 4, 1922.

Application of water to beneficial use shall be made on or before November 4, 1924. Proof of the application of water to beneficial use must be filed with State Engineer on or before December 4, 1924

WITNESS MY HAND AND SEAL this 4th day of April, 1922.

Cancelled 1-1-21 because of failure of applicant to comply with provisions of permit
