APPROVAL OF STATE ENGINEER

The number of this permit is 1642.

Date of receipt of first application April 2nd 1910.

Return to applicant for correction _____ 19____.

Corrected application received _____ 19____.

Last notice published May-10th 1910.

Recorded in Book I, page 1642.

Approved, December 13th 1911.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than 4 cubic feet per second.

The construction of the within described works to be commenced not later than

May-1st 1912

One-fifth of the work above specified to be completed on or before August 1st 1912

The whole of said work to be completed on or before November 1st 1912.

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to November 1st 1915.

Witness my hand this 13th day of December, 1911

W. M. Kearney

State Engineer.

REMARKS

This space must not be written in by applicant.

This permit is issued subject to the rights gained under applications Nos. 1117 and 1554. Should applications 1117 and 1554 or either of them not complete to the full amount of the appropriation asked for, this permit will take prestige over the above applications for the unappropriated amount of water in Jarbidge River.

W. M. Kearney
State Engineer.

Notes 1554 is cancelled
