APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all prior rights. A substantial headgate and weir must be installed and maintained to facilitate the measurement of water. The state reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 2.00 cubic feet per second.

Actual construction work shall begin on or before July 28, 1927

Proof of commencement of work shall be filed before August 28, 1927

Work must be prosecuted with reasonable diligence and be completed on or before July 28, 1931

Proof of completion of work shall be filed before August 28, 1931

Application of water to beneficial use shall be made on or before July 28, 1932. Proof of the application of water to beneficial use must be filed with State Engineer on or before August 28, 1932

WITNESS MY HAND AND SEAL this 28th day of February, 1927
