APPROVAL OF STATE ENGINEER

The number of this permit is 1714.

Date of receipt of first application JUN 10 1910 19 ____.

Return to applicant for correction _____ 19 ____.

Corrected application received _____ 19 ____.

Publication of notice completed
~~Last notice published~~ July 15, 1910 19 ____.

Recorded in Book "I", page 1714.

Approved, November 27, 1914 19 ____.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than 0.7 cubic feet per second.

The construction of the within described works to be commenced not later than

May 27, 1915.

Proof of commencement of work must be filed on or before June 27, 1915.

One-fifth of the work above specified to be completed on or before June 27, 1915.

The whole of said work to be completed on or before September 27, 1915

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to October 27, 1918.

Witness my hand this 27th day of November, 1914.

This permit is granted subject to all prior rights and is for surplus water only.

Wm Kearney
State Engineer.

REMARKS

This space must not be written in by applicant.

The applicant must install a standard weir and headgate at or near the point of diversion to facilitate the measurement and control of water.

Wm Kearney
State Engineer.
