~~Fast notice published~~ July 15, 1910 19

Recorded in Book "I", page 1716.

Approved, November 27, 1914, 1914

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than 1.2 cubic feet per second.

The construction of the within described works to be commenced not later than

May 27, 1915.

Proof of commencement of work must be filed on or before June 27, 1915.

One-fifth of the work above specified to be completed on or before June 27, 1915

The whole of said work to be completed on or before September 27, 1915.

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to October 27, 1918.

Witness my hand this 27th day of November, 1914, 19

This permit is for flood water only and is subject to all prior rights on the source.

W. M. Kearney  
State Engineer

REMARKS

This space must not be written in by applicant.

The applicant must install a standard weir and headgate to facilitate the measurement and control of water.

W. M. Kearney  
State Engineer
