PROTESTED NOVEMBER 7, 1925, BY ELMER J. ISAAC.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This Permit is issued subject to all prior rights on the source, and with the provision that the right to divert water for stock-watering purposes shall not commence until it ceases to be available for irrigation purposes under such rights as may exist on the source. The State reserves the right to regulate the use of water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.1 or sufficient to water 400 head of cattle or 2000 head cubic feet per second, of sheep.

Actual construction work shall begin on or before November 17, 1928

Proof of commencement of work shall be filed before December 17, 1928

Work must be prosecuted with reasonable diligence and be completed on or before November 17, 1930

Proof of completion of work shall be filed before December 17, 1930

Application of water to beneficial use shall be made on or before November 17, 1931. Proof of the application of water to beneficial use must be filed with State Engineer on or before December 17, 1931.

WITNESS MY HAND AND SEAL this 17th day of May, 1928
