to _____ which is the point of intended use.

APPROVAL OF STATE ENGINEER

The number of this permit is 1744

Date of receipt of first application July 6th 1910.

Return to applicant for correction _____ 19__.

Corrected application received _____ 19__.

^{Publication of notice completed}
~~Last notice published~~ August 19th, 1910.

Recorded in Book "I", page 1744

Cancelled Oct. 16-1923 because of failure of applicant to comply with provisions of permit.

Approved, November 27, 1910.

Robert A. Alley State Engineer.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than 0.4 cubic feet per second.

The construction of the within described works to be commenced not later than

May 27, 1915.

Proof of commencement of work must be filed on or before June 27, 1915

One-fifth of the work above specified to be completed on or before June 27, 1915

The whole of said work to be completed on or before September 27, 1915

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to October 27, 1917.

Witness my hand this 27th day of November, 1914.

This permit is issued subject to all prior rights on the stream system and is for flood and surplus water only.

Wm Kearney
State Engineer.

REMARKS

~~This space must not be written in by applicant.~~

The applicant must install a standard weir and headgate at or near the point of diversion to facilitate the measurement and control of water.

Wm Kearney
State Engineer.

Proof of labor filed JUN 26 1915

Map filed AUG 16 1915
