quarter sections: \_\_\_\_\_

to \_\_\_\_\_ which is the point of intended use.

APPROVAL OF STATE ENGINEER

The number of this permit is 1762

Date of receipt of first application July 23rd 1910

Return to applicant for correction SEP 20 1910 ~~19~~

Corrected application received SEP 22 1910 ~~19~~

Publication of notice completed. Last notice published October 29th 1910

Recorded in Book "I", page 1762

Approved, September 27th 1912

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Nevada, and hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated not more than 200 cubic feet per second.

The construction of the within described works to be commenced not later than

November 27th 1912

One-fifth of the work above specified to be completed on or before November 27th 1913.

The whole of said work to be completed on or before November 27th 1914

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to November 27th 1917

Witness my hand this 27th day of September, 1912

This permit is issued subject to all prior rights. W. W. Kearney State Engineer.

REMARKS

This space must not be written in by applicant.

Proof of labor filed DEC -2 1912

Map filed MAR 26 1913

An error having occurred in naming the amount of water granted, correction is hereby made limiting the amount of water appropriated to twenty (20) cubic feet per second.

Dated this the 29th day of August, 1914.

W. W. Kearney State Engineer.
