APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the entire Humboldt River system. The right to store and use water is subject to regulation by the State at all times.

The map filed under this application shows that the reservoir site has a capacity of 800 acre-feet only. Therefore this permit is granted for that amount of water. Proof of appropriation No. 00604 of the Humboldt Adjudication and the map filed thereunder shows that the W 1/2 of section 5, & the W 1/2 of section 8 are now irrigated in part and an old right for water is claimed for this land. Also portions of land named in the filing cannot be irrigated. The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 800 acre-feet per annum.

Actual construction work shall begin on or before May 15, 1915.

Proof of commencement of work shall be filed before June 15, 1915.

Work must be prosecuted with reasonable diligence and be completed on or before October 15, 1917.

Application of water to beneficial use shall be made on or before October 15, 1920.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before November 15, 1920.

WITNESS MY HAND AND SEAL this 18th day of November, 1914.

Map filed DEC 28 1911

Proof of labor filed AUG 13 1915

W. M. Kearney

The time for commencement of work hereunder is extended to July 15, 1915 and the time in which to file proof of commencement of work is extended to August 15, 1915.

Dated this 30th day of April, 1915.

State Engineer
