APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all prior rights on the source and with the understanding that the proof of beneficial use, when filed, will show the power generated and the amount of water required and used therefor. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 2.5 cubic feet per second.

Actual construction work shall begin on or before July 1, 1937

Proof of commencement of work shall be filed before August 1, 1937

Work must be prosecuted with reasonable diligence and be completed on or before July 1, 1939

Proof of completion of work shall be filed before August 1, 1939

Application of water to beneficial use shall be made on or before July 1, 1940. Proof of the application of water to beneficial use must be filed with State Engineer on or before August 1, 1940

WITNESS MY HAND AND SEAL this 22nd day of December 1936

Cancelled NOV 7 1939 because of failure of applicant to comply with the provisions of permit
