APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the period of use and the average number of cattle served from the waters of this source. The State retains the right to regulate the use of the water herein granted at any and all times but does not take responsibility for the use of the Federal range.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0021 cubic feet per second or sufficient water to water 66 head of cattle

Actual construction work shall begin on or before June 9, 1964

Proof of commencement of work shall be filed before July 9, 1964

Work must be prosecuted with reasonable diligence and be completed on or before June 9, 1965

Proof of completion of work shall be filed before July 9, 1965

Application of water to beneficial use shall be made on or before June 9, 1966

Proof of the application of water to beneficial use shall be filed on or before July 9, 1966

Map in support of proof of beneficial use shall be filed on or before

Commencement of work filed Jan. 20, 1964
Completion of work filed Jan. 20, 1964
Proof of beneficial use filed Jan. 20, 1964
Cultural map filed
Certificate No. 5712 Issued April 8, 1964
Recorded April 10, 1964 Bk. W Page 520
Lyon County Recorder

WITNESS MY HAND AND SEAL this 9th day of January, 1964
