Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or before

Proof of completion of work shall be filed before

Application of water to beneficial use shall be made on or before . Proof of the application of water to beneficial use must be filed with State Engineer on or before

Map Filed October 1, 1931

Denied September 23, 1940

WITNESS MY HAND AND SEAL this day of ,

State Engineer.

(g) REMARKS: The water and water right hereby applied for is the identical water and water right that was allotted to Jacob Bloedel by the order of Determination in the Matter of the Determination of the Relative Rights in and to the waters of the Muddy River and its tributaries in Clark County, State of Nevada, and by the Decree of the Tenth Judicial District Court of the State of Nevada in and for the County of Clark, in the case entitiled: Muddy Valley Irrigation Company, et al, plaintiffs vs. Moapa and Salt Lake Produce Company, et al, defendants, which order and decree are on file in the office of the State Engineer of the State of Nevada. This applicant claims and maintains that said Jacob Bloedel and his successors in interest have abandoned their rights to said water and water right, by non-user thereof for a continuous period of more than five years.
