APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to prior rights, and for the flood water of Jerrett Creek. Water may be diverted under this permit only when there is sufficient to properly take care of the prior rights. The applicant hereunder must install a standard wier and head-gate at or near the point of diversion, and the installation of such wier and headgate is made a part of this approval. This headgate is for facilitating the control of water diverted.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 2.4 cubic feet per second.

Actual construction work shall begin on or before October 2nd.1912.

Proof of commencement of work shall be filed before November 2nd.1912.

Work must be prosecuted with reasonable diligence and be completed on or before November 2nd.1912.

Application of water to beneficial use shall be made on or before October 2nd.1915.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before November 2nd.1915.

WITNESS MY HAND AND SEAL this 26th.day of August,1912.

Proof of labor filed NOV -G 1912

Map filed NOV 1912... applicant to comply with provisions of permit.
